AHARON ABDUS-SALAAM

Los Angeles, California 90016
qaiserahdesigns@gmail.com | (818)856-4793

Design Engineer

With a background in information technology paired with the ability to work hard with the ability to work independently,I would be the best candidate to select for the Full Stack engineer position. I am extremely eager and motivated to complete all assigned tasks separately and as a group. I have a Bachelor's degree in communication along with Google certification in Cybersecurity and IT Help Desk. I have experience with Microsoft and design.
